

## **FRESSINGFIELD AND DISTRICT ART CLUB**

### **REPORT TO PARISH COUNCIL APRIL 2023**

We have had another very successful year in our Art Club, with more new members joining and several events that have showcased our work.

We organised and helped with the running of the Art Exhibition which was in conjunction with the Weybread Open Gardens last summer. Local professional and amateur artists displayed a fantastic variety of paintings and the exhibition had a good footfall with many positive comments and compliments.

This year on the weekend of Saturday May 20th and Sunday May 21st we are holding our own Club exhibition (with refreshments) at Weybread village hall and later in the year in September we are having another exhibition of our work at the Merlina Gallery at Earsham over a 2 week period. Most of the artwork is for sale at these events.

In summary, the Art Club continues to thrive with members from all the villages around Fressingfield and a variety of styles and mediums used in our paintings. We thoroughly enjoy our weekly meetings on Fridays 10am to 12 noon and welcome any new members. There is help for beginners and a lot of enthusiasm and support for all.

Ann Jones (Secretary)
