

REPORT TO PARISH COUNCIL APRIL 2024

FRESSINGFIELD AND DISTRICT ART CLUB

The Art Club continues to thrive - we have had new members join us who have filled spaces where older members have retired from the Club and enabled us to continue our ethos of giving help and encouragement in a very friendly atmosphere. We have a great diversity in our styles of art and the mediums used so that we can all learn from each other.

During the past year we held 2 exhibitions - one at our venue in Weybread, over a weekend in the summer, and the other at the Merlina Art Gallery in Earsham - where we exhibited over 2 weeks. Both events were very successful and the attendees complimented us on the high standard of our work.

We meet on Fridays at Weybread Village Hall, 10 am to 12 noon.

We welcome enquiries about our Club and contact details are given below.
