SUBJECT ACCESS REQUEST POLICY

1. Upon receipt of a subject access request (SAR), Fressingfield Parish Council will:

a Verify whether the parish council is the controller of the data subject's personal data. If it is not a controller, but merely a processor, the clerk to the council will inform the data subject and refer them to the actual controller.

b Verify the identity of the data subject. If needed, request any further evidence on the identity of the data subject.

c Verify the access request. Is it sufficiently substantiated? Is it clear to the data controller what personal data is requested? If not, additional information will be requested.

d Verify whether requests are unfounded or excessive (in particular because of their repetitive character). If so, the council may refuse to act on the request or charge a reasonable fee.

e Promptly acknowledge receipt of the SAR and inform the data subject of any costs involved in the processing of the SAR.

f Verify whether the council processes the data requested. If it does not process any data, inform the data subject accordingly. At all times make sure the internal SAR procedure is followed and progress can be monitored.

g Ensure data will not be changed as a result of the SAR. Routine changes as part of the processing activities concerned are permitted.

h Verify whether the data requested also involves data on other data subjects and make sure this data is filtered before the requested data is supplied to the data subject; if data cannot be filtered, ensure that other data subjects have consented to the supply of their data as part of the SAR.

2. Responding to a SAR

a Fressingfield Parish Council will respond to a SAR within one month after receipt of the request: i. if more time is needed to respond to complex requests, an extension of another two months is permissible, provided this is communicated to the data subject in a timely manner within the first month

ii. if the council cannot provide the information requested, it should inform the data subject on this decision without delay and at the latest within one month of receipt of the request.

b If a SAR is submitted in electronic form, any personal data should preferably be provided by electronic means as well
